DESCRIPTION

120V Track systems are modular and can be designed for multiple applications in nearly any interior environment. Choose from hundreds of compatible track fixtures and pendants by WAC Lighting to install on track systems. Versatile yet sturdy, track systems can be surface mounted or suspended from ceilings, enabling the lighting design to adapt to changing styles and spaces. Track may be field cut to size and combine power connectors, accessories, and suspension options to build a complete system.

FEATURES

- May be field cut and easily installed on a variety of surfaces
- End caps and mounting hardware included
- Retrofits into many popular track systems on the market today
- 5 year warranty
