

J2 Track

Wire Way Cover

System Type	Model	Finish
J2	WCOV	BK Black WT White

Example: **J2-WCOV-BK**

DESCRIPTION

120V Track systems are modular and can be designed for multiple applications in nearly any interior environment. J2 Track is a two circuit track system that can control lighting fixtures separately through two switches. Any WAC "J" style fixture can work on a J2 track system. Octagon box covers are used with J2-IPWR, J2-LE, J2-LRIGHT, J2-LLEFT, J2-T and J2-X to cover connectors where power is supplied through.

FEATURES

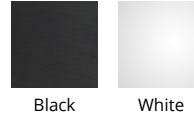

- Wire way cover for suspended track
- Conceals electrical feed wires from stem to track live end
- 5 year warranty
