DESCRIPTION

An outdoor track lighting system robustly designed not just to brighten spaces, but to transform them. Crafted for both residential retreats and sophisticated commercial environments, this system blends modern engineering with artistic allure—turning every evening into an experience.

FEATURES

• Continuously adjustable and lockable beam angles from 20° - 70° with indexed adjustment markings
• Fixtures are polarity agnostic and may be installed to track in either orientation
• High power factor (PF) electronics for optimized VA rating (10.5W, 10.5VA)
• Accommodates one lens accessory and one glare control accessory (accessory holder required, sold separately)
• Track heads install toollessly onto WAC outdoor track system with a patent pending wire piercing adapter
• Fixtures can be grouped and controlled together
• Fixtures contain discrete, warm, and a cool white LEDs for full tunability
• Automations can be stored and recalled for holiday or other celebratory lighting scenes
• Transformer required
• 5 year warranty
