

WAC LIGHTING

Outdoor Track

12V 10AWG Cable

Model & Size	Finish
9100-10G 100'	BK Black
9250-10G 250'	

Example: **9100-10G-BK**

DESCRIPTION

An outdoor track lighting system robustly designed not just to brighten spaces, but to transform them. Crafted for both residential retreats and sophisticated commercial environments, this system blends modern engineering with artistic allure—turning every evening into an experience.

FEATURES

- Determine the distance from the transformer to the end of the track run to select the appropriate cable length
- Required for outdoor track system installation
- Alternative 10AWG low voltage cable options: PAIGE P7190D or REGENCY R7190D
- 5 Year warranty
