Project: _____

Location: _____

Example: **LM-SK-250E-BN**

DESCRIPTION

Designed with the thinnest profile in the industry, the Solorail™ Starter Kit features a low voltage monorail system bendable in the field and can be designed to navigate curves for custom designs. The Solorail™ kit is available in 150W or 250W options, and includes everything you need to build a custom Solorail™ system with your own choice of fixtures or pendants.

Accommodates appealing Quick Connect™ pendants or fixtures. Includes 2 X 4ft solorails, 1 X I-Connector, 2 X end caps, 3 X Standoffs for support, and 1 X LM-EN12 transformer.

FEATURES

- Use with any combination of pendants or fixtures totaling 250W
- 20 watt minimum load for compatibility with LED lamps and fixtures
- Transformer included
- 5 year warranty
